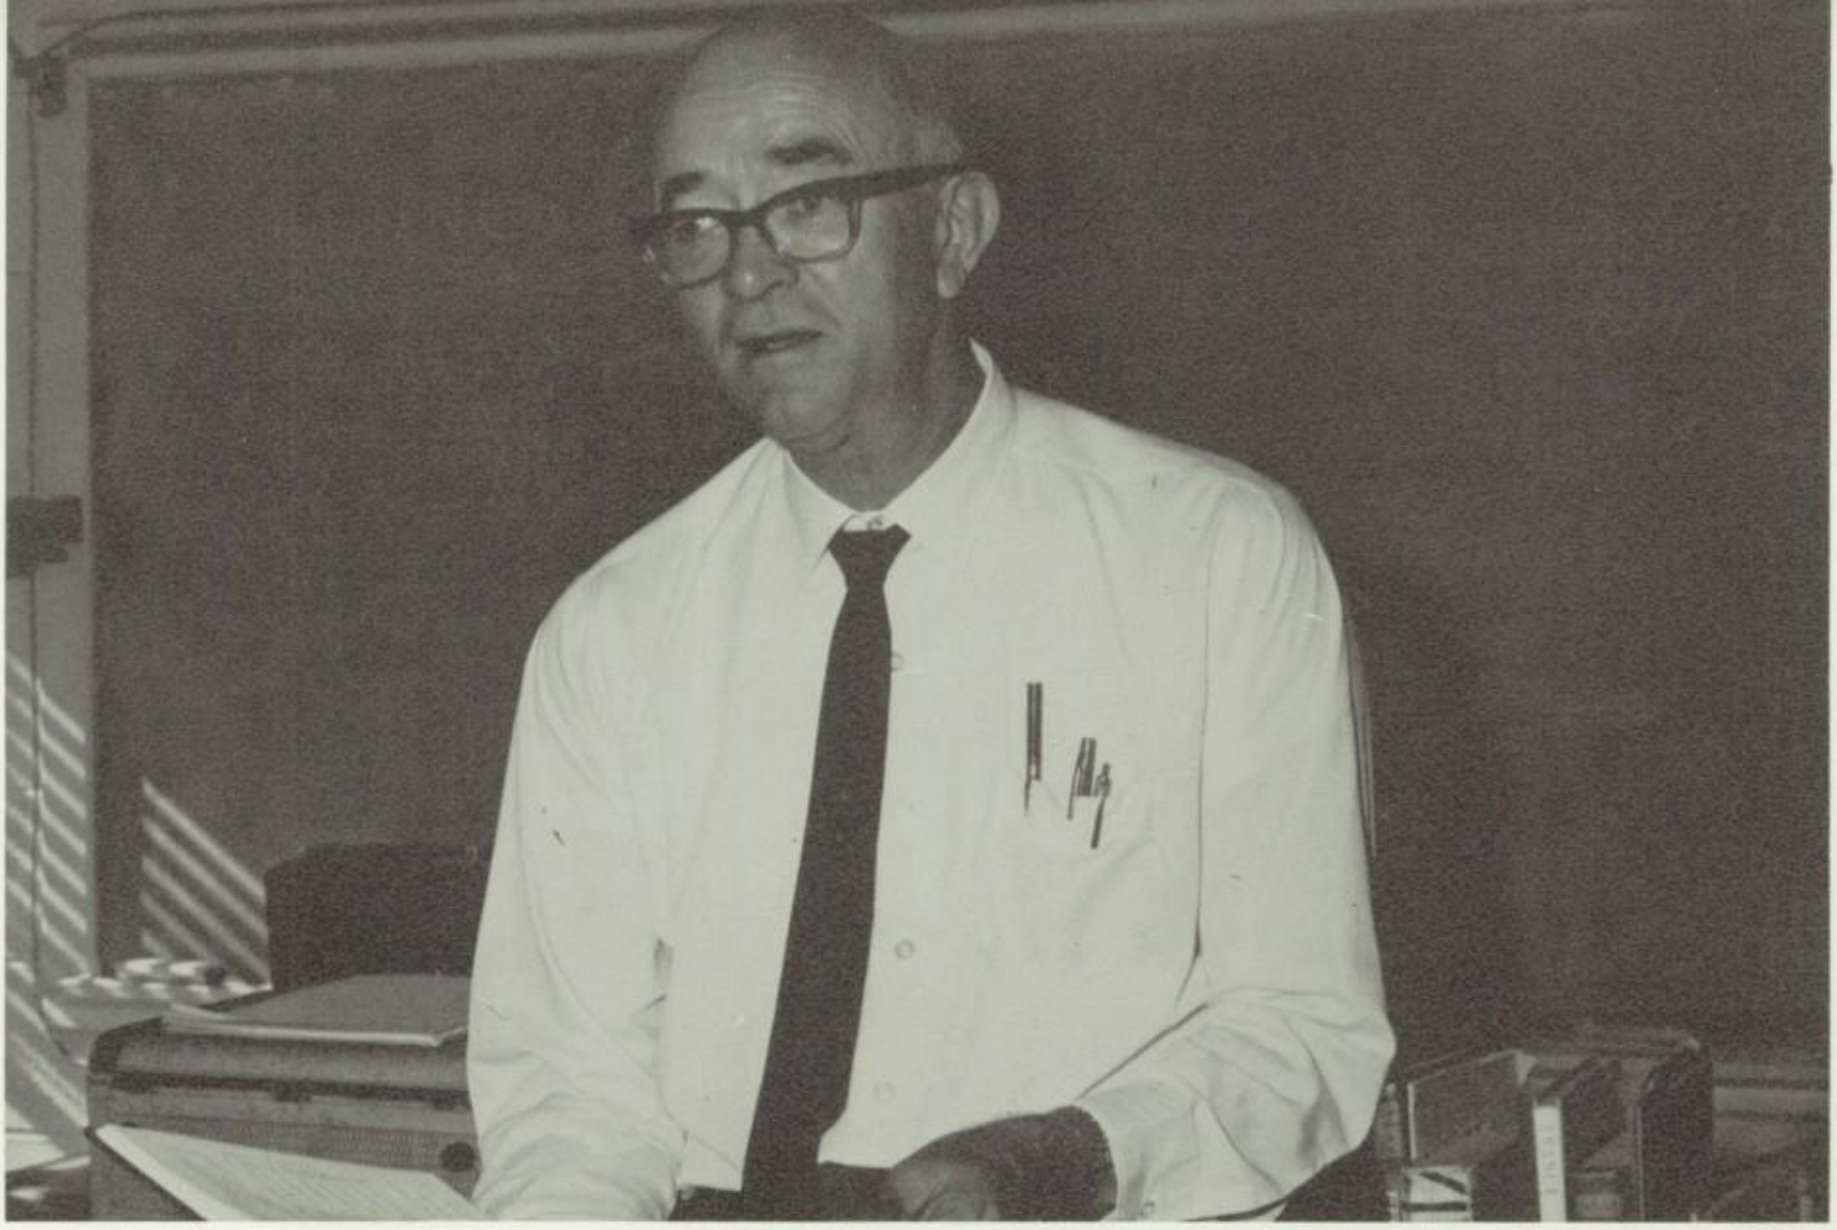
JR. VARSITY

Classes **Editor**—Dee Powell



The beginning of South Hall began a loyal high school career for a true blue knight. During all these years he has served as a teacher in his best possible capacity. The years haven't all been easy, but they have been rewarding for both him and his students. Many times I have proudly listened to remarks of, "He is so sweet," and "I just love him to death!" Fair, honest, trustful, and these are the special qualities that describe him.

How does it feel to have your dad for a teacher? Just great!. . . Mary Lynn Isbell

With respect, admiration, and a thankful heart for all his faithful service to the school and its students, we, the yearbook staff dedicate the 1972 Clarion to **Mr. James M. (Jacques) Isbell.**

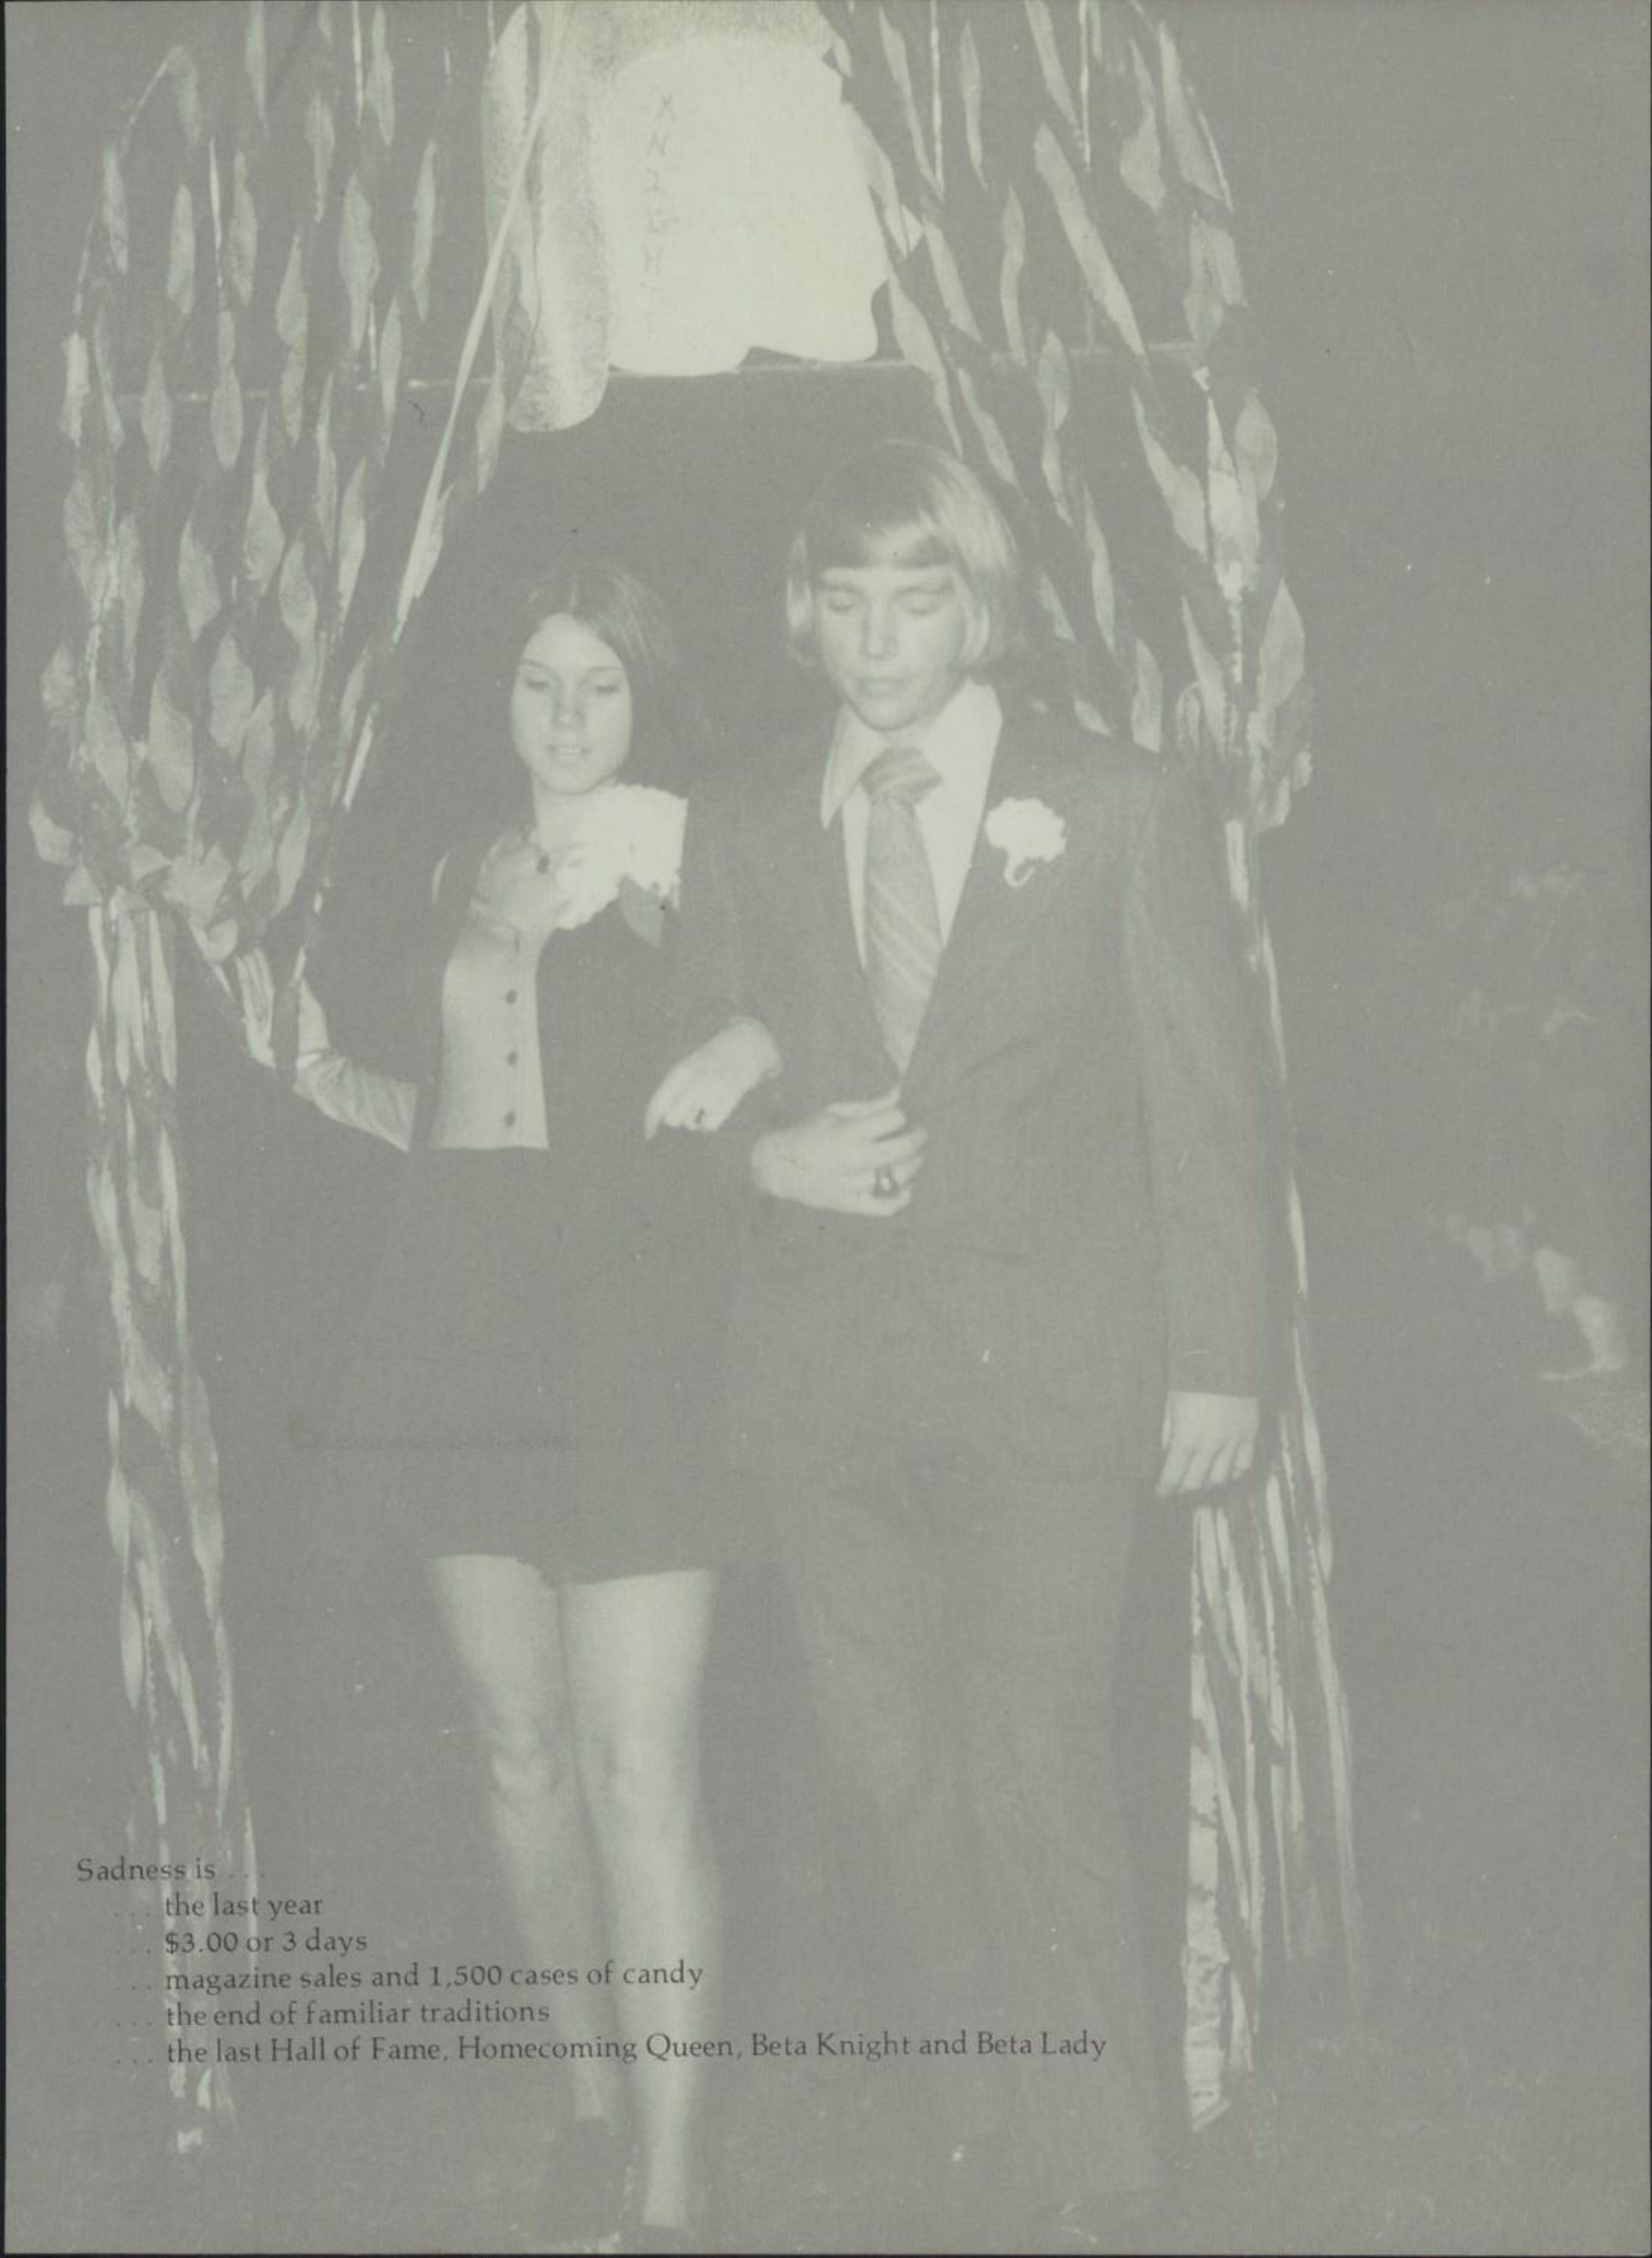
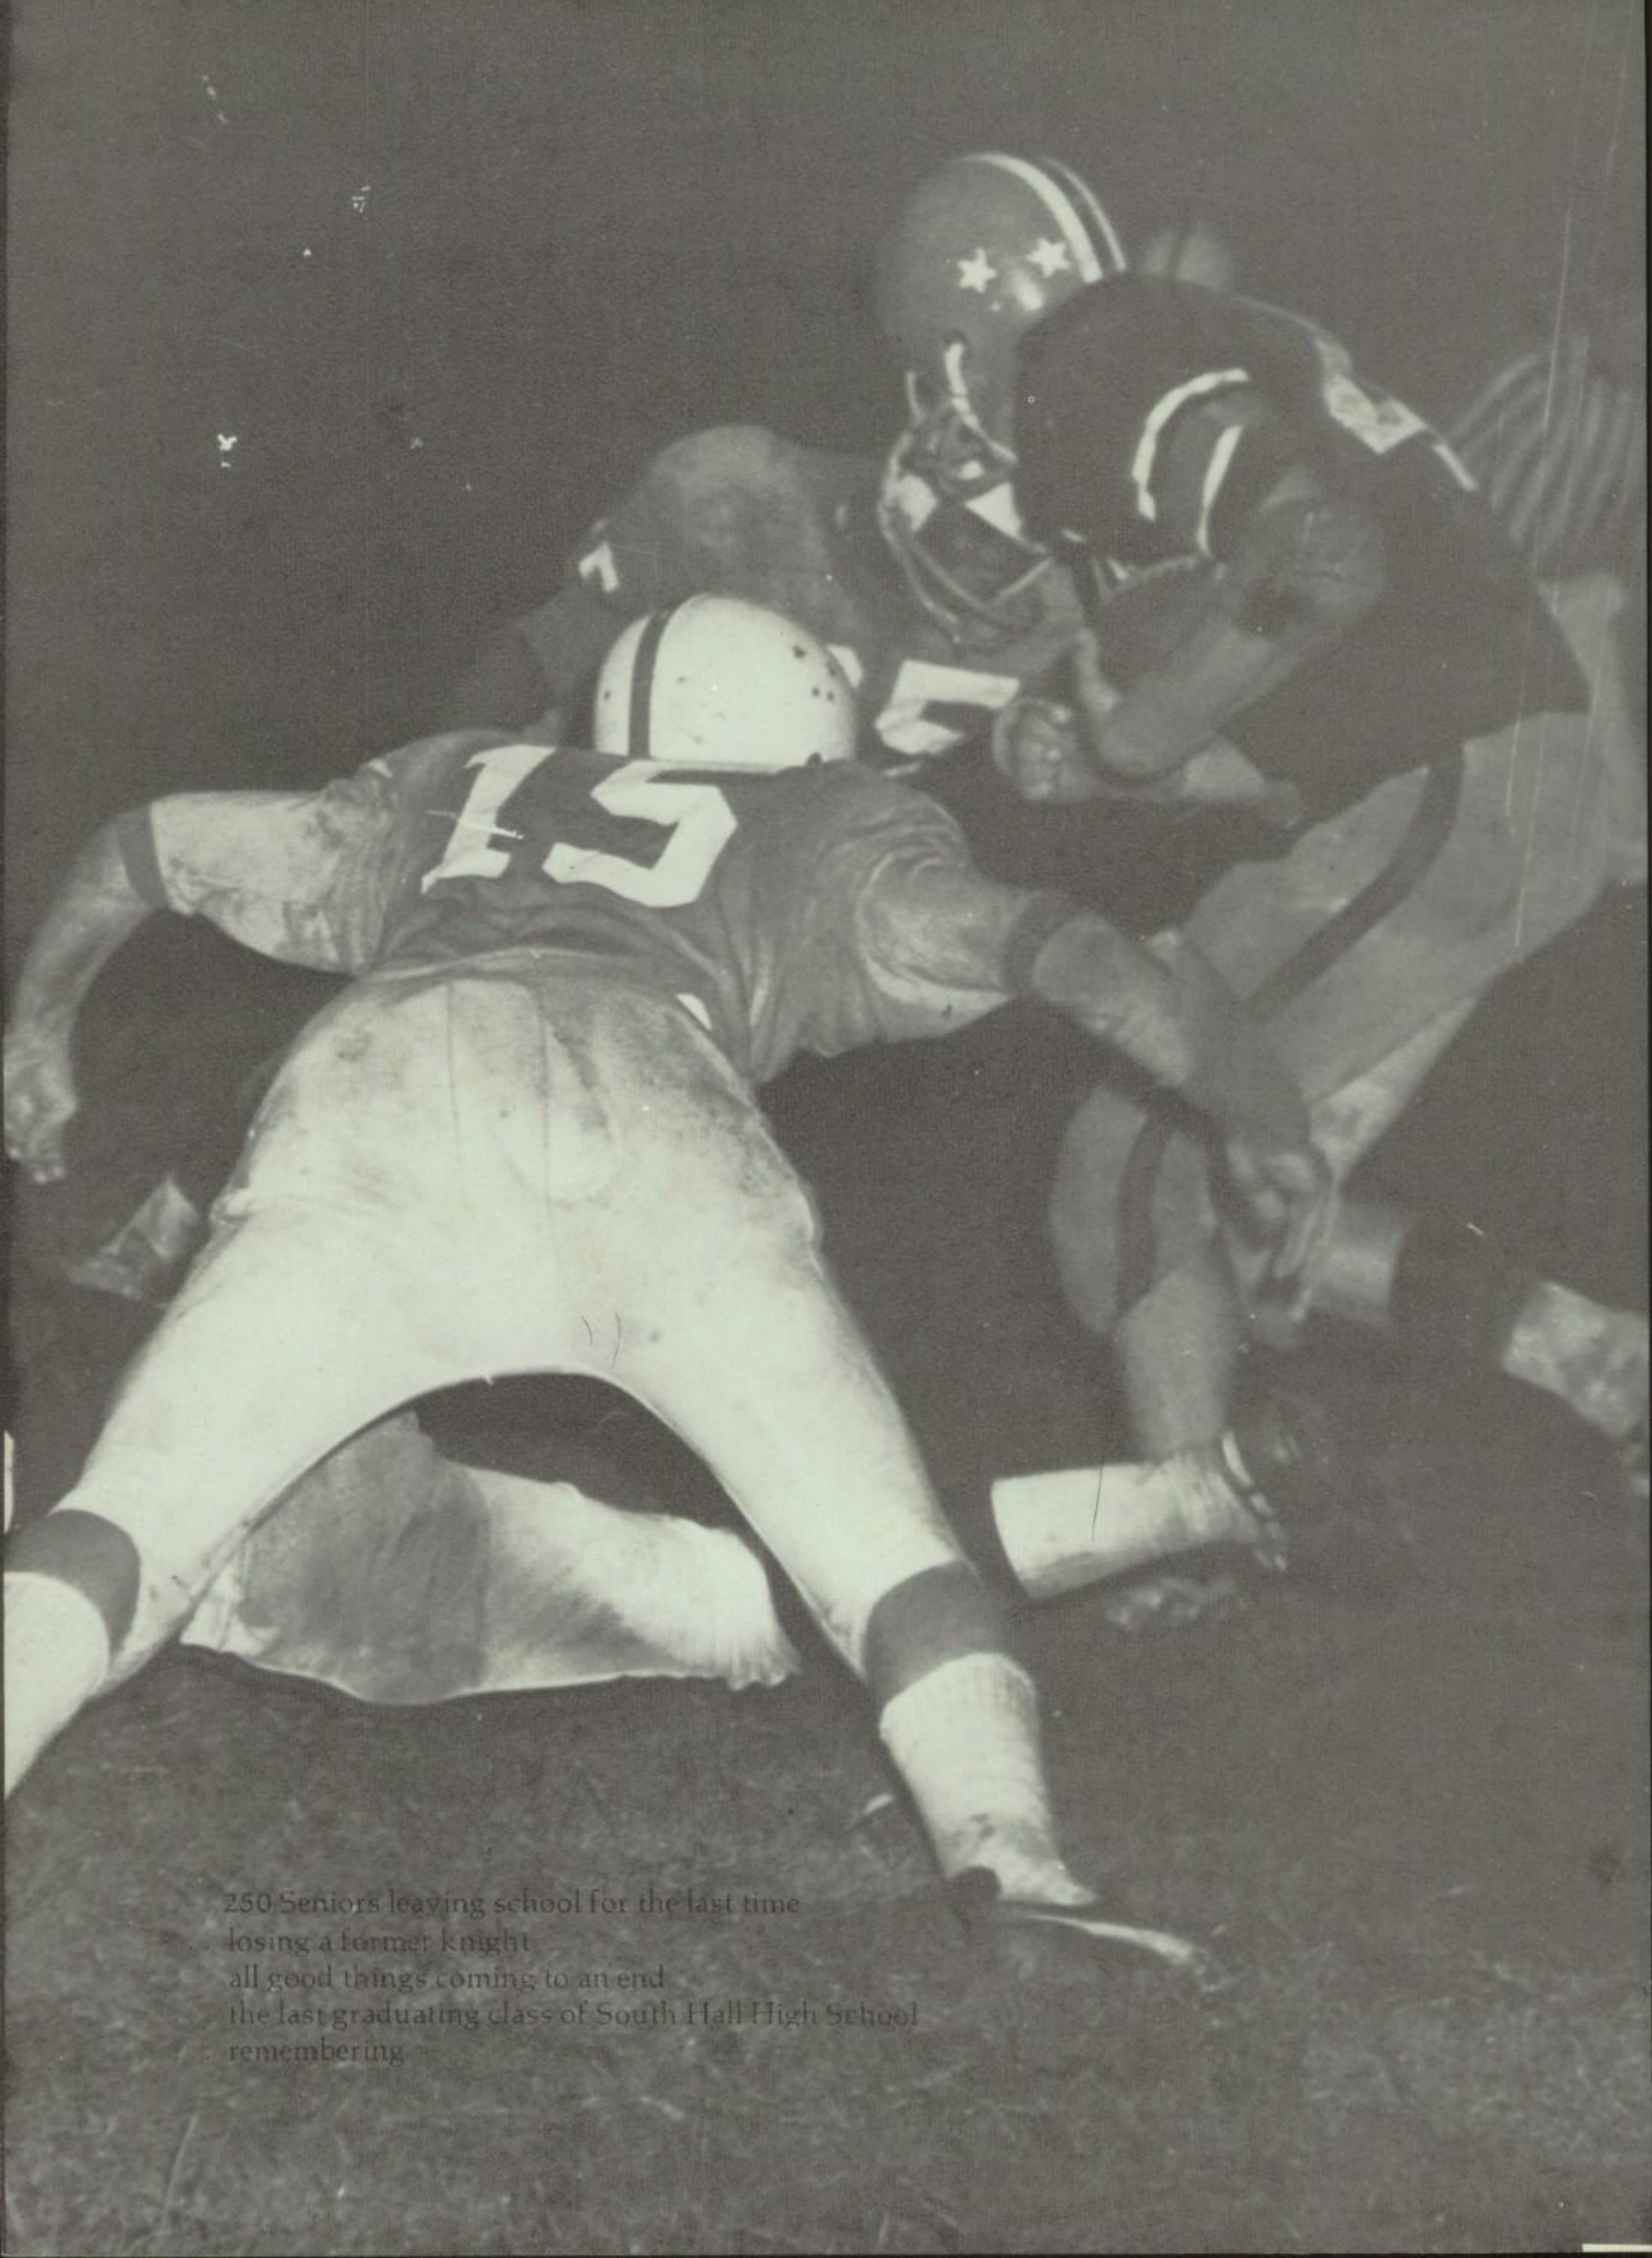
1972 — A metamorphosis of happiness and sadness.

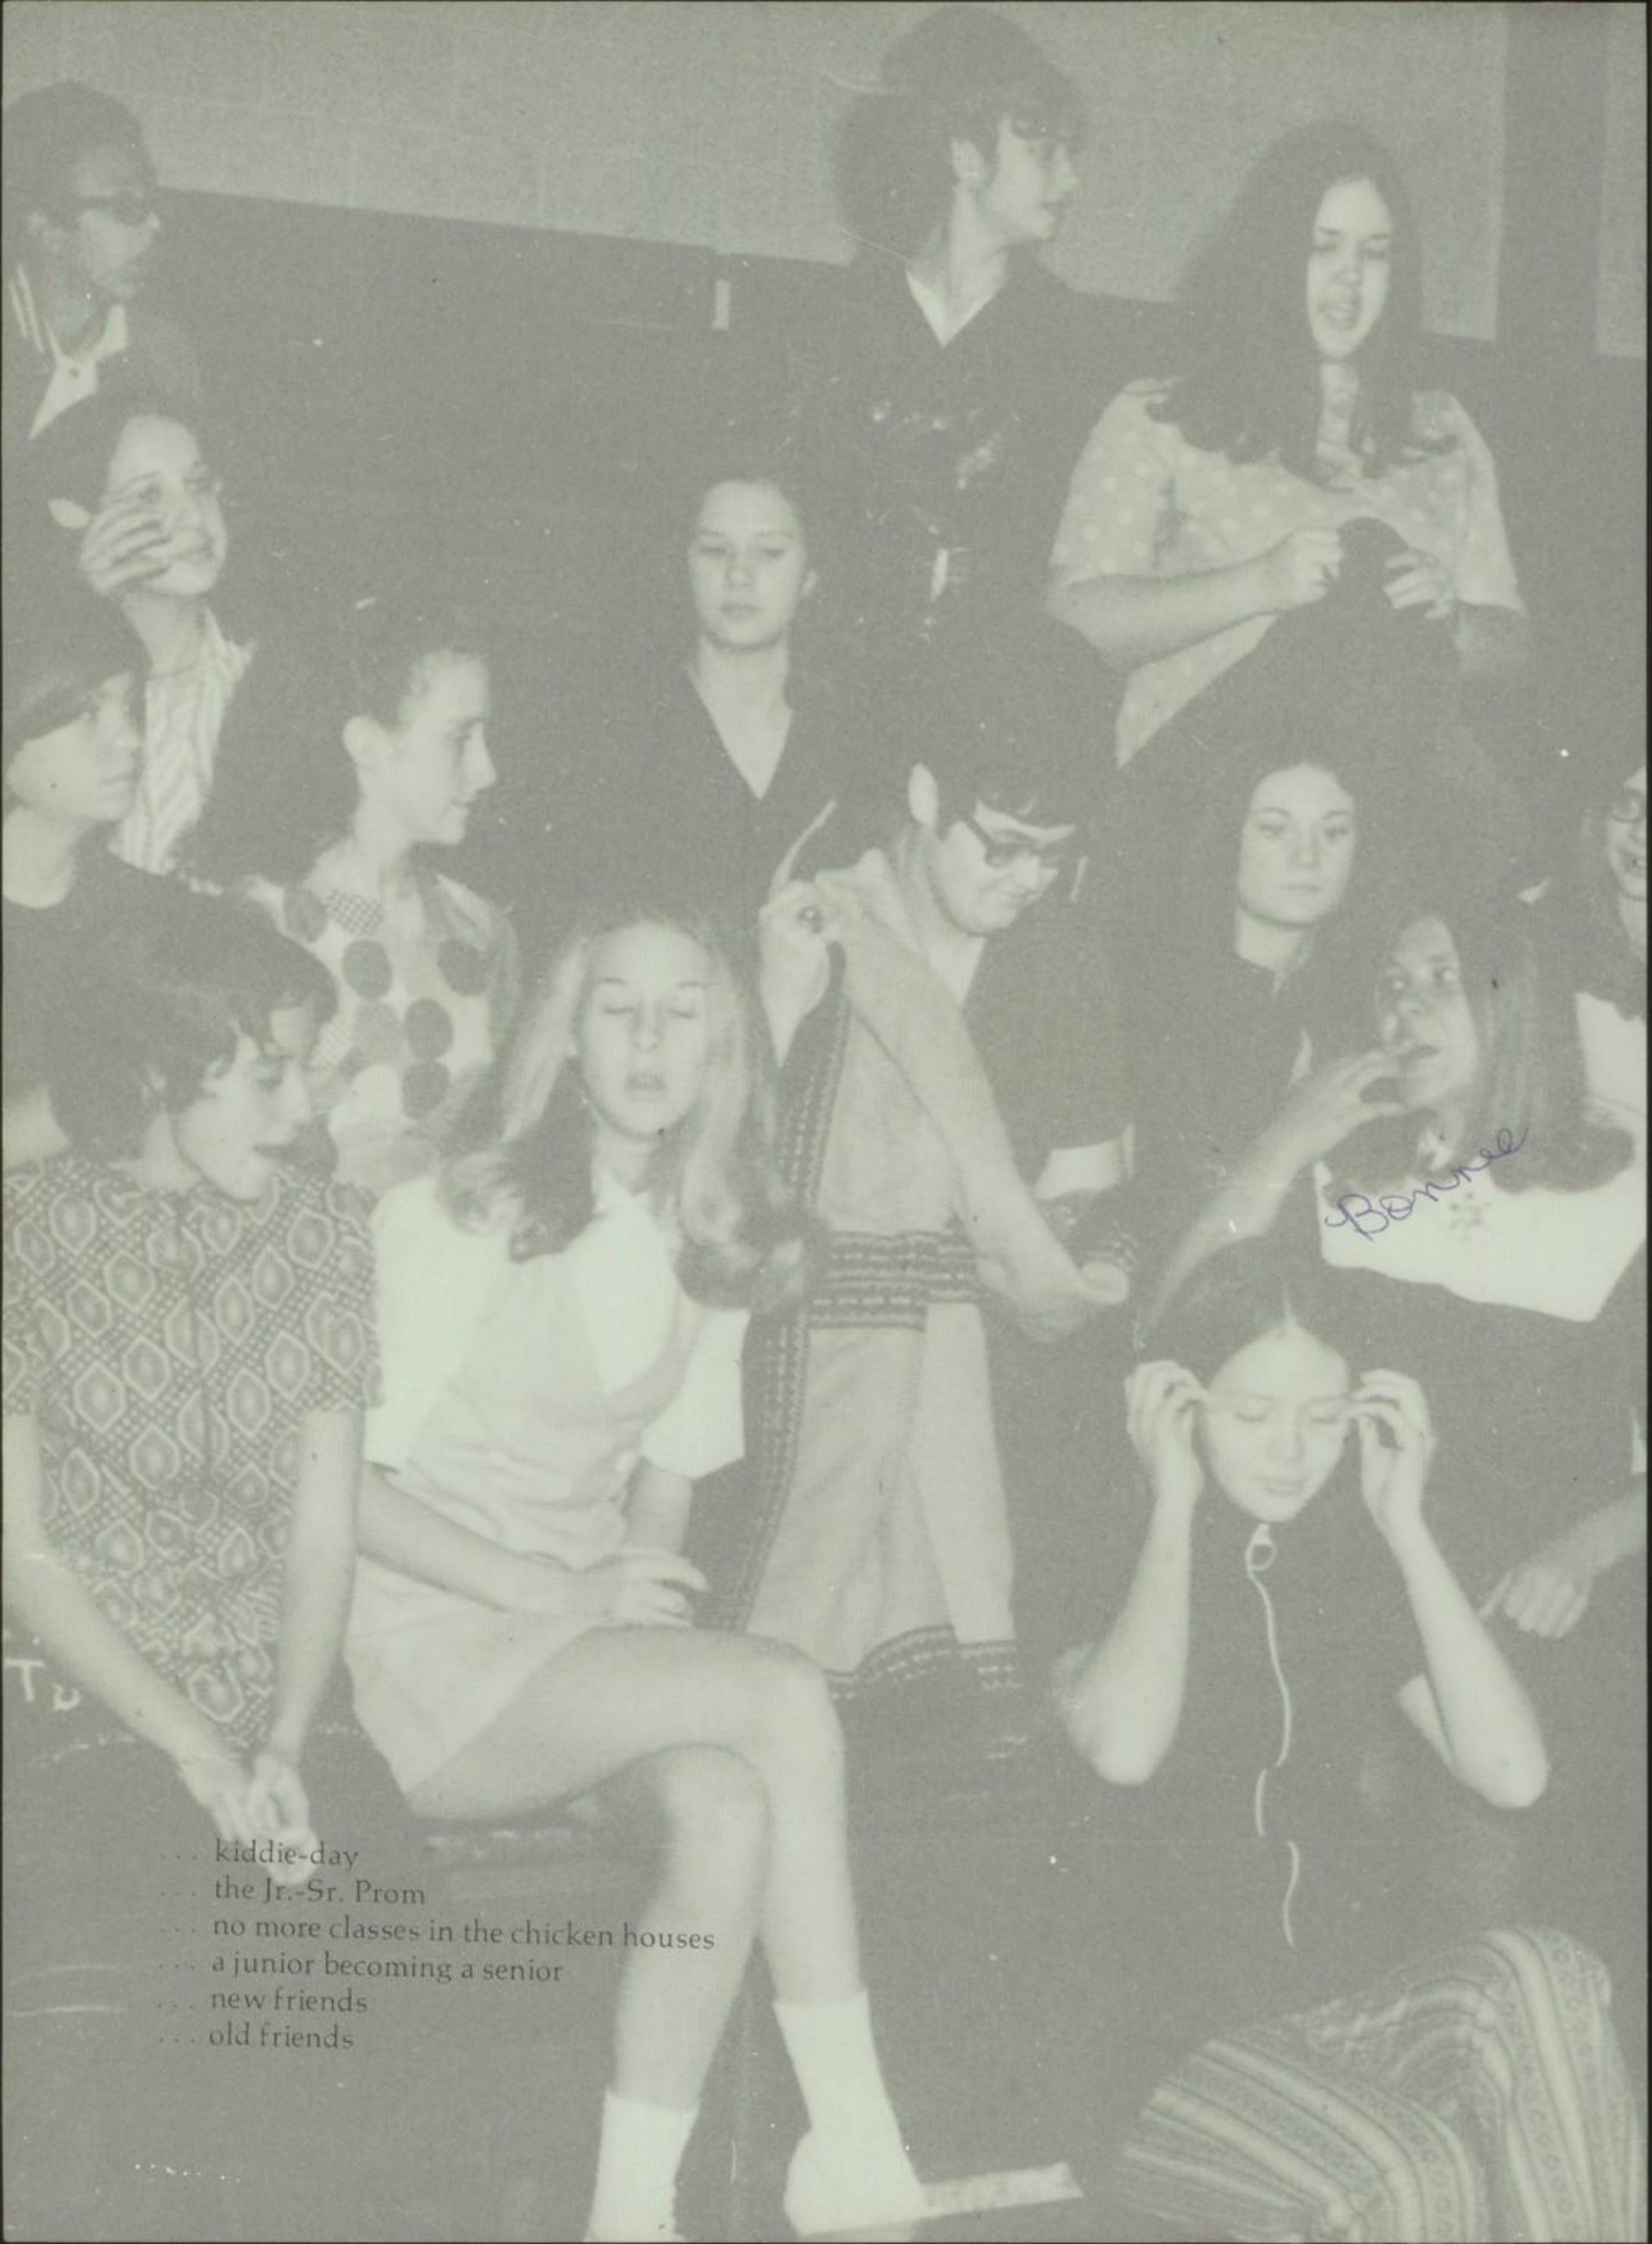


Sadness is . . .
. . . the last year
. . . $3.00 or 3 days
. . . magazine sales and 1,500 cases of candy
. . . the end of familiar traditions
. . . the last Hall of Fame, Homecoming Queen, Beta Knight and Beta Lady

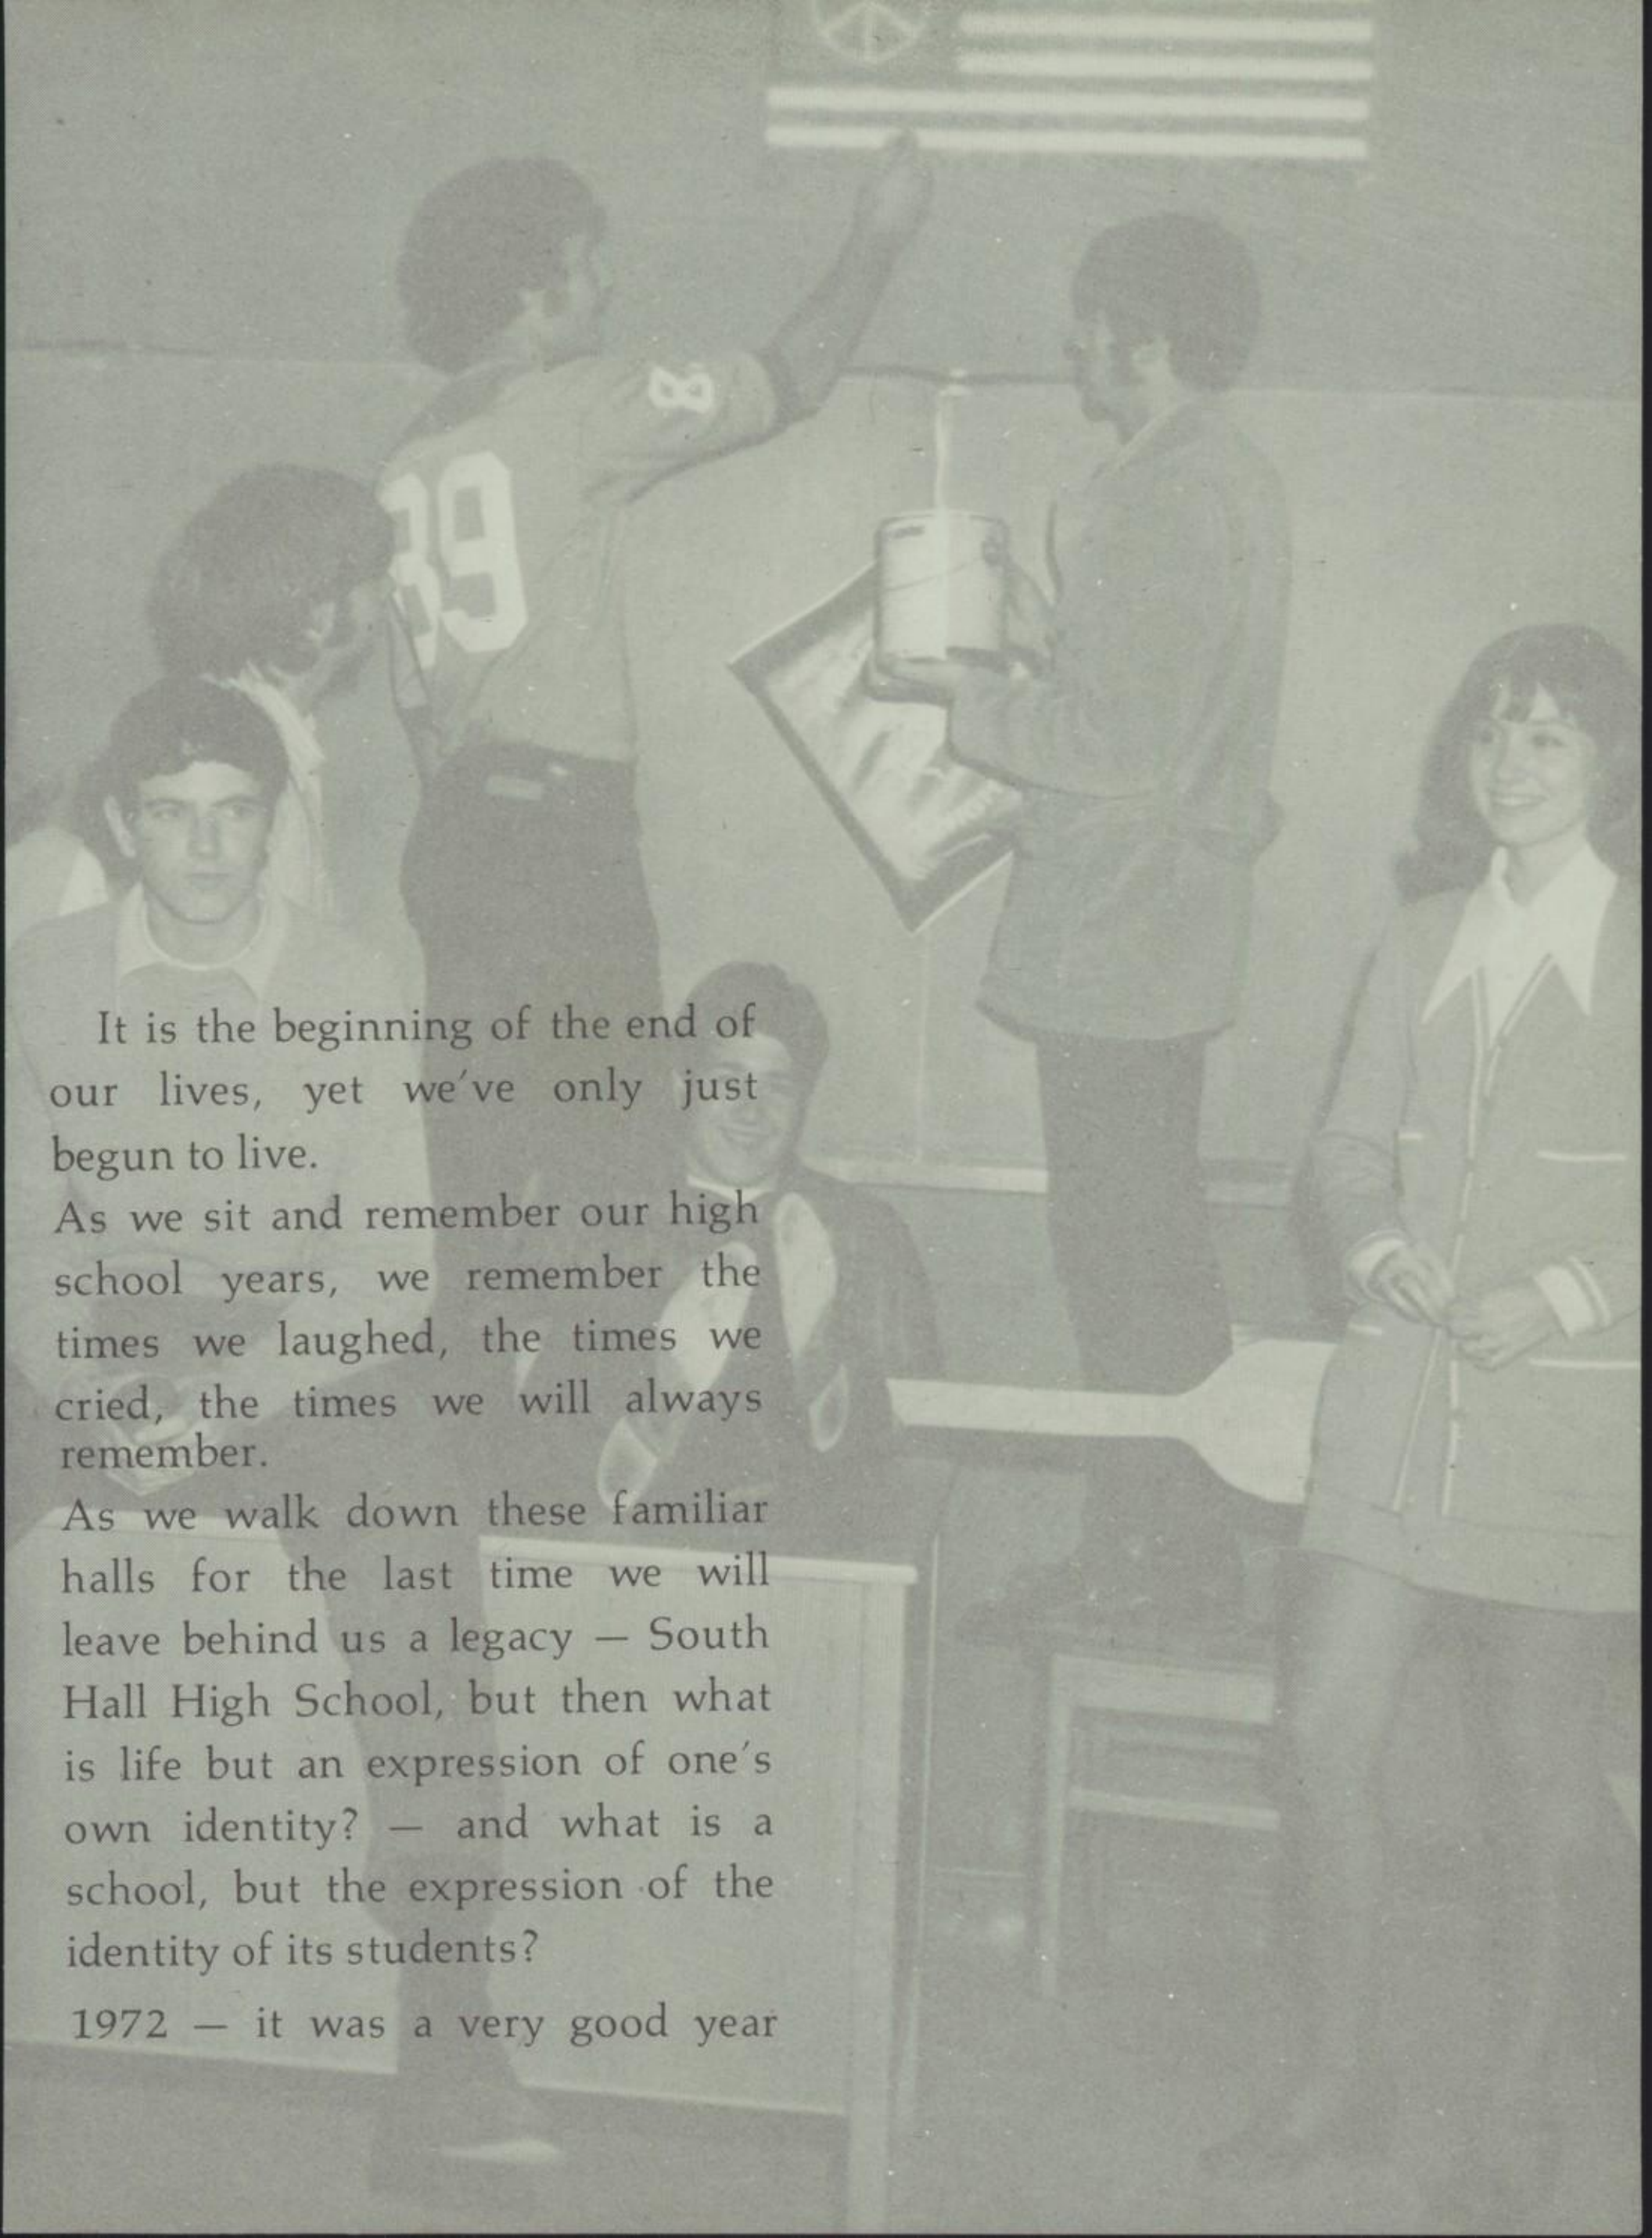


250 Seniors leaving school for the last time
losing a former knight
all good things coming to an end
the last graduating class of South Hall High School
remembering

Happiness is . . .
. . . getting the red out
. . . being 8AA — West co-champs
. . . the juke box in the lunchroom
. . . no dress code
. . . being out of debt



. . . kiddie-day
. . . the Jr.-Sr. Prom
. . . no more classes in the chicken houses
. . . a junior becoming a senior
. . . new friends
. . . old friends



It is the beginning of the end of our lives, yet we've only just begun to live.

As we sit and remember our high school years, we remember the times we laughed, the times we cried, the times we will always remember.

As we walk down these familiar halls for the last time we will leave behind us a legacy — South Hall High School, but then what is life but an expression of one's own identity? — and what is a school, but the expression of the identity of its students?

1972 — it was a very good year
